

YOUR HUMMER

YOUR RIDE. YOUR EXPERIENCE.

LESS FORMAL OCCASIONS

If you are going out on the town for a Hens Night, Bucks Night, Birthday, Anniversary or any fun event then you will need to be picked up on time however your arrival time at your destination may not need to be precise so the whole event can be more casual.

You still need to allow time for photos and also rest breaks and you are welcome to drink in your Limousine (no food though) which will lead to rest breaks that take 15 minutes usually because your group will be in a fun and playful mood and they will mess around quite a bit (and why not?)

Have everyone pay prior to the trip including allowance for over time. No one wants to think about money on a special occasion so after you have talked to Rob from Your Hummer and worked out the time and cost then you should be covered with what you have paid.

Hummer Limousines are very expensive to buy and operate so any extra time must be charged and paid for on the night. It is far better to add another 20% to the cost for each passenger and most groups have 10% drop outs so it's a good idea to divide the amount by one less person too. Have everyone pay through bank transfer at least 2 weeks prior to the night. On the night everyone will have paid and can just focus on the Limousine experience. If your Hummer Limo comes in at the exact time then everyone will be thrilled to receive some money back or you can put the money on the bar and everyone will look at it as a bonus.
