A fitted snood, Buff® or gaiter can be worn covering both your nose and mouth.

There are two types of face masks you can wear: cloth masks and surgical masks.

- Cloth masks are made of washable fabric and can be washed and re-used.
- Surgical masks are single-use masks and cannot be washed or re-used.

You cannot wear a bandana or scarf on its own.

How to put your mask on

Step 1: Wash your hands with soap and water before putting on the mask.

Step 2: Make sure the mask covers your nose and mouth and fits snugly under your chin, over the bridge of your nose and against the sides of your face.

Do not touch the front of the mask while wearing it.

Step 3: If you do touch the mask, wash your hands with soap and water or sanitise your hands immediately.

Do not allow the mask to hang around your neck.

How to take your mask off
